SWITCHBACK

Composed and Conducted by **BASIL POLEDOURIS**

Intrada Special Collection Volume ISC 1

Intrada announces the upcoming release of Basil Poledouris' score to *Switchback*, the first in a new series of special collector releases. The 1997 film *Switchback* stars Danny Glover and Dennis Quaid. Directed by Jeb Stuart, screenwriter of *Die Hard* and *The Fugitive*, *Switchback* is an outdoor chase thriller about an FBI agent in pursuit of a serial killer who's kidnapped the agent's son.

Basil Poledouris is no stranger to composing music for expansive outdoor pictures. His work for the *Conan* series, *Red Dawn*, and *Under Siege 2* are forerunners to this large, exciting orchestral work recorded with the Seattle Symphony. This release is another spectacular entry in the Poledouris library.

The Intrada Special Collection is a series of recordings focusing on film music from across the decades. This series is targeted to the discriminating soundtrack collector of film music and is available exclusively through Intrada and a select handful of soundtrack specialty shops.
