Intrada/Disney D001809202

Intrada and Walt Disney Records announce the release Danny Elfman's score to *Oz – The Great and Powerful*. Elfman composed a score as colorful and adventurous as Oz itself. Rich in themes, energy, magic, and mystery, the score features Elfman's trademark style, including the striking use of chorus. The score has its tender, heart-felt side as well, resulting in a varied musical journey through Oz that will compel the listener from start to finish. Combined with beautiful artwork, the soundtrack to Oz one of the most elegant soundtrack releases of the year.

When Oscar Diggs (James Franco), a small-time circus magician with dubious ethics, is hurled away from dusty Kansas to the vibrant Land of Oz, he thinks he's hit the jackpot, until he meets three witches who are not convinced he is the great wizard everyone's been expecting. Reluctantly drawn into the epic problems facing the Land of Oz and its inhabitants, Oscar must find out who is good and who is evil before it is too late. Directed by Sam Raimi, *Oz - The Great and Powerful* opens March 8.
