TOMORROWLAND

Composed and Conducted by **MICHAEL GIACCHINO**

Walt Disney Records D002065402

New from Walt Disney Records and available through limited distribution from Intrada and Amazon comes Michael Giacchino's epic score to the summer adventure *Tomorrowland*. Giacchino pulled out all the stops for this soaring score, just the kind of film music enthusiasts love from the summer movie season. Starting out in an almost mystical fashion for piano and strings, don't be deceived by the quiet opening, for the score soon slams down the gas pedal as the roller coaster musical journey takes off. The brassy main theme propels the adventure forward, taking the viewer along for the ride into the future to help save the planet.

The generous soundtrack album includes 73 minutes of music, and of course the track titles include Giacchino's near-trademarked puns:

1. A Story about the Future
2. A Prologue
3. You've Piqued My Pin-trist
4. Boat Wait, There's More!
5. Edge of Tomorrowland
6. Casey V Zeitgeist
7. Home Wheat Home
8. Pin-Ultimate Experience
9. A Touching Tale
10. World's Worst Shop Keepers
11. Just Get in the Car
12. Texting While Driving
13. Frank Frank
14. All House Assault
15. People Mover and Shaker
16. What an Eiffel!
17. Welcome Back, Walker!
18. Sphere and Loathing
19. As the World Burns
20. The Battle of Bridgeway
21. The Hail Athena Pass
22. Electric Dreams
23. Pins of a Feather
24. End Credits

The film presents two-time Oscar winner Brad Bird's riveting, mystery adventure, starring Academy Award winner George Clooney. Bound by a shared destiny, former boy-genius Frank (Clooney), jaded by disillusionment, and Casey (Britt Robertson), a bright, optimistic teen bursting with scientific curiosity, embark on a danger-filled mission to unearth the secrets of an enigmatic place somewhere in time and space known only as "Tomorrowland." What they must do there changes the world and them forever.
